Director Anat Baron takes you on a no-holds-barred exploration of the U.S. beer industry that ultimately reveals the truth behind the label of your favorite beer. Told from an insider's perspective, the film goes behind the scenes of the daily battles and all-out wars that dominate one of America's favorite industries. *Beer Wars* begins as the corporate behemoths are being challenged by small, independent brewers who are shunning the status quo and creating innovative

new beers. The story is told through two of these entrepreneurs—Sam and Rhonda—battling the might and tactics of Corporate America. This contemporary *David and Goliath* story is ultimately about keeping your integrity (and your family's home) in the face of temptation. *Beer Wars* is a revealing and entertaining journey that provides unexpected and surprising turns and promises to change the world's opinion on those infamous 99 bottles of beer on the wall. Special guests TBA.
